

Pesto

Ingredients:

1 ½ cups basil leaves

2 cloves garlic

¼ cup pine nuts or walnuts

¾ cup parmesan cheese, grated

¾ cup extra virgin olive oil

Directions:

1. Puree basil in the food processor.
2. Add nuts and garlic and process until finely chopped.
3. Add cheese and process until it forms a thick puree.
4. Slowly add the oil while motor is running.
5. Store with a little oil on top to prevent browning.
